

Following is an UNOFFICIAL Celebration II schedule based on postings on the Star Wars and WOTC web sites as of Tuesday 4/30. Most events had times and room listings; a couple of program tracks (Kids Room and Club Room) have events listed at the convention web sites but only a few times are listed. Most events have room locations listed, some don't.

Any errors or omissions should be expected. This schedule compiles information scattered across several web sites for pre-convention planning and is not endorsed by any official source including but not limited to Lucasfilm, Wizards of the Coast, the Indianapolis Convention Center, Rebelcum, and/or Twiggy the Water Skiing Squirrel. Use at your own risk, and be sure to check out WOTC's official version when you get to Indianapolis.
